## Annual Escrow Account Review

At least once each year, PennyMac Loan Services, LLC ("PennyMac") reviews your escrow account to make sure there is enough money to pay your property taxes and/or insurance premiums. This statement informs you of any adjustments to your monthly payment, shows you how much money you currently have in your escrow account and how much you will need in the next 12 months.

## Your New Mortgage Payment

During the next year, your escrow account balance is projected to have a shortage and/or escrow reserve payment (meaning not enough funds to pay your taxes and/or insurance as they come due). See Your Escrow Shortage and/or Escrow Reserve section on page 3 for more details.

### Your Escrow Shortage and/or Reserve

Based on the projected activity above, our review shows that your escrow balance is less than \$0. This means you have a deficiency (meaning negative balance) of (\$7,887.67), and an additional required balance of \$940.04 to satisfy the reserve. See the lowest projected balance in the table above to find out when this will occur.

|                                       |            |
|---------------------------------------|------------|
| Lowest Projected Balance              | \$353.59   |
| Minimum Required Balance              | \$1,293.63 |
| Escrow Shortage and/or Escrow Reserve | \$940.04   |

PennyMac requires a minimum balance up to one-sixth of the estimated total annual payments from your escrow account, unless state law or your mortgage contract requires less, to help cover any unexpected increases in taxes and/or insurance. The minimum required balance does not include mortgage insurance.

## Escrow Account History

The following is the statement of activity in your escrow account from April 01, 2022 through May 31, 2022.

Last year, we anticipated that payments from your account would be made during this period equaling \$195.98. Your lowest monthly balance should not have exceeded \$1,289.63, or 1/6 of anticipated payments from the account, unless your mortgage contract or state law specifies a lower amount.

The table below shows the Projected and Actual account history for the previous escrow account period.
